

# Edgewood Civic Center & Community Room

*All pictures are courtesy of professional photographer Chi of Miller | Hull architects*

All Council tables are on casters and can be moved out of the room to allow full use of the space. There 50 chairs as well as seven 6-foot tables available. A small warming kitchen with a range, refrigerator and dishwasher can be used to heat pre-cooked food. There is a patio off the Community Room as well as a courtyard outside the first floor level for your use.
