MECHANICAL & PLUMBING FIXTURE CHECKLIST

This checklist must be completed and submitted with the application in order to be accepted for review. For **new appliance and gas line installation, please include the following:**

1. 2 sets of floor plans showing location of each appliance
2. Show the BTU of each appliance
3. Show the length of pipe from each appliance to the meter
4. Show the size of pipe
5. Type of proposed pipe
6. Labor & Industries inspection and approval required on-site at time of inspection for any alterations, modifications or additions to the electrical system.
