****Penalty:** Payment is due and payable in monthly or quarterly installments on or before the 20th day following the end of each month or calendar quarter (i.e., April 20, July 20, October 20, and January 20). Each taxpayer shall remit payment for the preceding month or quarter's tax, accompanied by monthly or quarterly statement showing the manner in which the payment is calculated. (EMC Section 5.08.050).

*****Interest:** Delinquent taxes, including any penalty and interest, are subject to an interest charge of 12% per annum from the date the tax became due until the date payment is actually made. (EMC Section 5.08.090 (B)).
