RE: Mayoral Order – City Hall Closure

Please be advised that out of an abundance of caution and in response to recent increases in COVID-19 rates, **City Hall is closed for walk-in services**. Public access may be provided on an appointment basis; however, City Hall is operating and conducting public meetings virtually.

On-line access remains available for most City services and all communication. You can still reach City staff members via phone or email. In addition, staff utilizes Zoom for tele-meeting consultations. The City has committed to maintaining virtual remote access for services.
