Used Cooking Oil Drop Off

French Lake Dog Park
31531 1st Ave S

(SE Corner of Parking Lot)

Tips for recycling used cooking oil:

- Never pour oil down drain or place liquid oil in garbage, recycling or yard waste
- Transport cool cooking oil in a plastic jug with a secure twist-on lid
Remember to use a jug that allows for easy pouring into the collection tank
- Please pour oil slowly and with care into the on-site collection tank to avoid splatter
- Take containers home with you to retain this free public service
- Empty jugs can be rinsed and recycled at home

All cooking oil will be recycled into low carbon fuel by General Biodiesel.
